

- UMRN will be filled by the bank.
- There are 3 sign spaces. Primary Holder should sign in 1st. If it's a Joint A/c, then others will sign in 2 and 3.
- We (Smile) have selected the Debit Type by default as "Maximum Amount". That means anytime if the Donor wishes he can reduce the amount (without a new mandate) but the amount cannot be increased.
 - For increase in amount, they have to give a new mandate.
 - Kindly fold that mandate along the dotted lines of the paper - while you post it to e so that it is easy to scan.
 - Tear it along dotted lines and give just one piece of mandate to each Smiley and courier it to **Karthikeyan Thirumal**.
